Dear Vince, Bo and Douglas,

Thank you, thank you, and thank you!

Because of The Marker's Club, Evening on the Diamond was able to raise over \$1.3 Million in proceeds for the Arizona Diamondbacks Foundation. This was a record year for the event and because of your generosity, organizations and non-profits throughout the State of Arizona will benefit.

This year's event was a sell-out. We hosted 750 community leaders and celebrities and comments on the event have been all indicating a *great success*.

Speaking of success...your auction items alone brought the following:

Cabo trip for 7 days/6 nights - \$30,000 x 2 = \$60,000

Winners: **Cabo 1:** Justin Upton (Dback player)

Cabo 2: Jim Weber (Dback – partner/owner)

Bend, Or - \$35,000

Winner: Mary Jean and Brad Tully

African Safari - \$40,000 x 2 = \$80,000

Winners: Safari 1: Budd Florkiewicz

Safari 2: Walt Brown

We used the St. George, UT trip as a Raffle item and the lucky winner was Conor Jackson – Dbacks player.

As we discussed when we first met, we were both in search of a long term partnership, not just a short term hand-out. We look forward to working with both The Markers Club and your members.

Again, thank you for your Amazing support.

My best,

Kristine Hedlund
Director, Community Affairs
